1984 Dedication

We would like to dedicate the 1984 LION to a man who makes a difference. He always tries for the best, yet goes unrewarded. He has problems of his own yet makes time for others. He doesn't always have to smile, but he always does. A teacher, advisor, a father, but most important a friend.

MEMORIES

*A memory is a feeling, a touch,
a smile, a tear.*

*A warm memory is a treasured
moment stored away in
your heart and recalled with
joy, love, and laughter.*

*We all have memories of our
childhood, that first day of school,
a helping hand from your favorite
teacher in time of need, that
special someone you spent
time with, that friend you screamed
at one minute and hugged the next.*

*Soon College will become a memory — a
vivid and powerful memory that
encompasses a world of feelings.*

*The friends, the games, the parties,
the classes, the hours of practice,
the victories, the defeats, all blend
together to form memories of our
college years. How often do we say
"can't wait till summer, can't wait till
graduation —" and all of a sudden the time
is here and passed and you wonder how the
year went by so fast. So be still, take the
time to enjoy each precious moment, and
make this time together a special
memory to be recalled with joy and laughter.*

To The Students:

We hope we have captured at least some of the memories of the 1983-84 school year for you. Due to unexplained circumstances we were unable to get a lot of pictures and do a better job of your yearbook. We hope you understand and enjoy the few memories that we did catch — we also hope that in future years you can at least look back and enjoy the memories and friends that we have captured in the 1983-84 yearbook.

*Sincerely Yours,
The Annual Staff.*
